**YACHT STATEMENT FOR
DO NOT CONTAIN OZONE-DEPLETING CHEMICALS (ODC)
SUBSTANCES IN THE PRODUCTION PROCESS**

We hereby guarantee that the products that we supply to all customers do not contain Ozone-Depleting Chemicals (ODC) substances and that our facilities do not use ODCs in the production process. Otherwise, we the vendor, **Yacht Battery Co., Ltd.**, will be liable for any costs incurred by all customers due to ODC content in any goods.

The sub-suppliers of the main cost components of the products supplied are as follows:

- Sport Utility Battery-Yacht Battery Co., Ltd. – Produced in Binh Duong Province, Vietnam.

The major cost components of the products supplied are as follows:

- Sport Utility Battery – Lead, Sulfuric Acid, Fiberglass Separator, Polypropylene

We are not aware of the People's Republic of China's policy on ODCs. Although we as a non-United States vendor, are not familiar with the 1987 Montreal Protocol on Substances that Deplete the Ozone Layer, the United States' Omnibus Budget Reconciliation Act of 1989, the 1990 Clean Air Act or any other comparable laws or acts based in China, by not using ODCs in our manufacturing production process, we are confident we are complying with the respective US laws and acts noted above.

Respectfully,

Ami Lee
